

At Intermedia, our Cloud Academy Internship Program is built for current students who want to gain real-world experience, build new skills, and want the opportunity to collaborate with a team on projects that are truly meaningful.

Our interns will be able to bring their fresh ideas, perspective, and passion to make their mark and partner with their desired team to help deliver on business-critical projects. We offer internships in multiple job families and open to current students in a Bachelor's, Master's, or MBA programs.

Internship opportunities are fully remote or hybrid depending on location. We have hubs in Sunnyvale, CA and Bellevue, WA.

What to expect:

The summer internship is a 10 weeklong program from June to August. You will be a full-time member where you will be assigned a dedicated mentor and work alongside your team on specific project(s).
